**Step 1:** Go to the following website: <https://www.gaexperienceonline.com/>

**Step 2:**

## Welcome to Experience Online Testing Georgia!

This practice site is a chance for students to learn more about the structure and content of the Georgia Milestones Assessments, experience online testing, and practice using online tools. Parents and educators are also welcome to explore this site along with the Georgia Department of Education website which provides further information.

The Test Practice & Online Guides icon links to online study guides, online assessment guides, and demonstration tests. The online study and assessment guides have content instruction as well as practice items for specific grades or courses. The items on the demonstration tests are general and are organized by grade or course in the content areas of English Language Arts, Mathematics, Science, and Social Studies. The guides and demonstration tests are not graded, so have fun!

Select "Tutorial" for a video on what students will experience when taking the Georgia Milestones.

Select "Test Practice & Online Guides" for students to take a practice assessment with various questions where they can practice using the *tools* on Milestones.

**Step 3: Select "Test Practice & Online Guides"**

**Step 4:**
